

# HOCKHAM PARISH COUNCIL

## Clerks report for February 2021

NCC have consulted the Parish Council regarding additional speed limits on the A1075. They are proposing to extend the 50mph limit south of Wretham to Larkshall and a 40mph through Stow Bedon. The Parish Council have requested that the 50mph limit be extended from Stow Bedon to Wretham. The PC has the support of the NCC and Breckland Councillors.

NCC are proposing Central Hatching and Ribbed Edge Lines with Verge Hardening through the Picnic Site bends rather than a 50mph limit.
